Model HA-62

A multi-parameter test kit for hardness, iron & pH, this kit provides an easy-to-use, cost effective way to determine the quality of your water.

Popular tests at a great price in Hach's convenient and protective test kit carrying case.

Uses color disc and drop count titration methods

Kit contains all required reagents and apparatus in a rugged carrying case for analysis in the field

Спецификации

Бр. тестове:	100
